

Dear Sir or Madam,

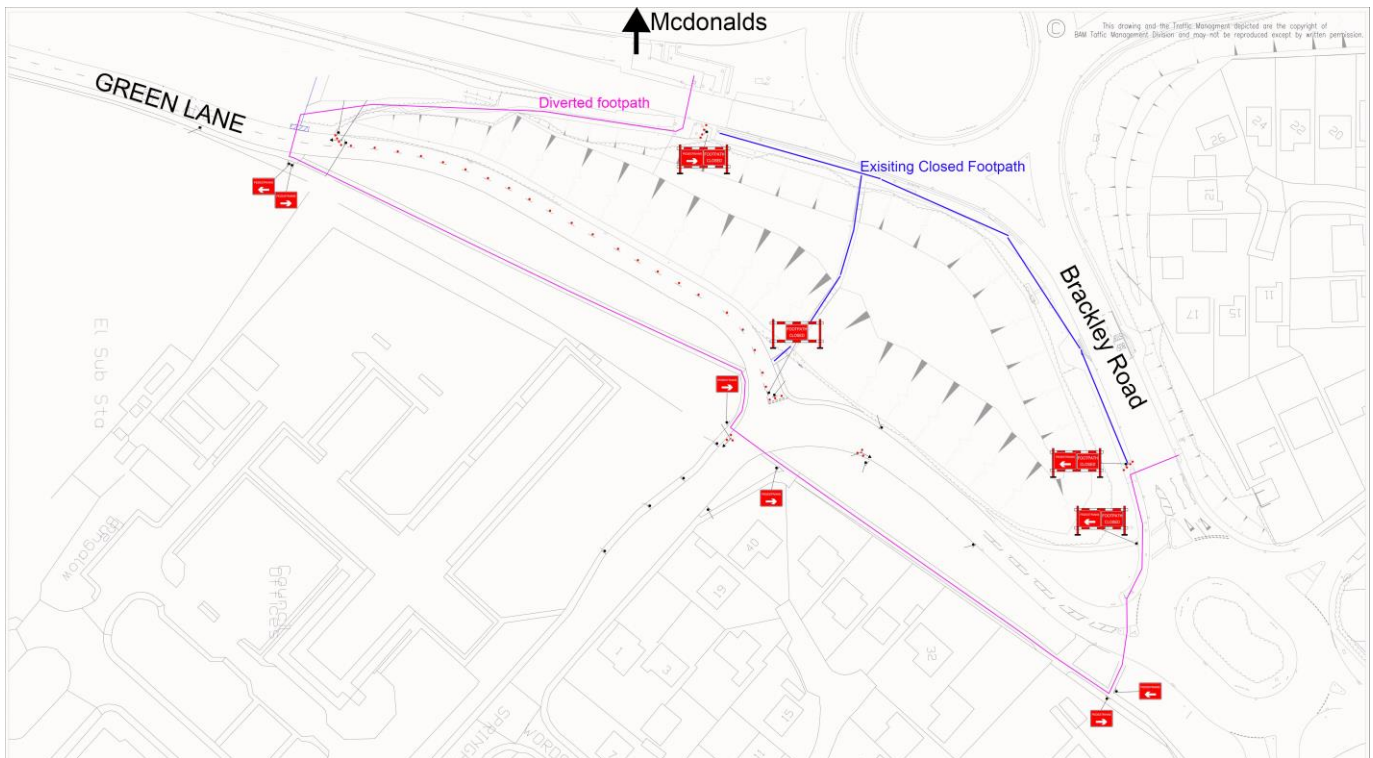

**A43 MAJOR JUNCTION IMPROVEMENT SCHEME AT ABTHORPE ROUNDABOUT:
NOTIFICATION OF FOOTPATH DIVERSION**

We are writing to make you aware that we will be closing a public footpath and diverting it whilst we complete the next section of the major improvement scheme at Abthorpe roundabout.

In order to complete the earthworks in this area, install the extra lane and create the new footpath this diversion is necessary to provide us with the access we need and for the safety of the passing public.

Whilst the diversion is a slightly longer route, we hope that this letter has made clear why it is necessary. The diversion will be in place from the 12th September 2016 and we hope to have the path reinstated shortly before Christmas.

Please find diversion details below.
